

Through the Associate Member program, NJCSA maintains a directory of vendors that have pledged to provide a variety of products and services that benefit students, staff and the charter school community. Some Associate Members choose to offer opportunities and special pricing that are available only to current NJCSA members. Being an Associate Member does not imply endorsement by the NJCSA, nor does NJCSA conduct research on or assume responsibility for the services and products extended by Associate Members. All schools are encouraged to conduct an independent analysis and review before signing any contracts with a vendor.
