Charter School  
Purchasing Solutions

## Charter School Purchasing Solutions

NJCSA offers a variety of options to our member schools that make purchasing and procurement of products and services easier, faster and less expensive.

## Group Purchasing Consortium

NJCSA has partnered with Momentum Ventures, a national group purchasing consortium created especially for the charter school sector. Vendors are identified and reviewed by a national committee, and Momentum Ventures staff conducts extensive due diligence to ensure the service and pricing are optimal for charter schools across the country. Contact us to set up an exclusive account with these vendors (subject to change):

## Professional Liability Insurance for Charter School Teachers

NJCSA has partnered with the Association of American Educators, a non-union professional association that offers individual liability insurance policies to classroom teachers. Charter schools can choose to purchase and offer coverage to its teaching staff as an employee benefit, or NJCSA can provide you with handouts to promote participation on an individual basis. Contact us for more information about this program.

## Vendor Marketplace

Through our Associate Member program, NJCSA maintains a directory of vendors that have pledged to provide a variety of products and services that benefit students, staff and the charter school community. Visit [njcharters.org](http://njcharters.org) to view and print the most recent Associate Member Directory.
